

EU Declaration of Conformity

For the following product

HOPPECKE trak|power premium charge
Type: basic / premium / air / fnc / lion / mini / large / rapid / multi

HOPPECKE Batterien GmbH declares conformity under its sole responsibility with the following directives, relevant **regulations**, and in particular the **safety and protection requirements**:

2014/30/EU	Directive of the European Community on the approximation of the laws of the Member States relating to electromagnetic compatibility
2014/35/EU	Directive of the European Community on the harmonization of the laws of Member States relating to electrical equipment designed for use within certain voltage levels
93/68/EEC	Directive of the European Community on modification of CE marking
ProdSG	German Law "Product Safety Act"
EMVG	German Law on the Electromagnetic Compatibility of Equipment
2011/65 RoHS	Directive of the European Community of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment

Relevant (harmonized) international and European standards listed in the appendix, page 2, have been used for rating the product with respect to its electrical and mechanical properties.

This declaration shall apply to all identical copies of the above identified product.
