

grid | Xtreme VR

HIGH PERFORMANCE PURE-LEAD BATTERY

Best product for UPS, Data Center and Telecom applications

SPACE SAVING

compared to standard AGM batteries

FOOTPRINT

better than Lithium-Ion

FOOTPRINT

Unmatched cradle to cradle in energy storage

less per kWh compared to Lithium-ion

less compared to standard AGM batteries

RELIABILITY

longer storage time

longer service life compared to standard AGM batteries

Unlimited recharge current

SUSTAINABILITY

secured raw material supply chain

recycling efficiency

HOPPECKE

Energy to move your business ahead.
Since 1927.
